# A feeling, a card.

**Join the Celtista  
family starting at €30!**

The Celtista Card was created in response to the needs of many RC Celta fans who, for various reasons, do not have a season ticket but still want to feel part of our team. With this card, the club provides an opportunity for a more connected RC Celta, accessible to all its supporters.

**By obtaining this card, you will become part of a family of RC Celta supporters without borders.**

The Celtista Card is designed especially for those who do not have a season ticket for matches at Abanca Balaídos. This includes RC Celta fans living far from Vigo and Galicia, even abroad, who cannot frequently attend the stadium, as well as those who, due to family, personal, or work circumstances, cannot regularly attend matches.

All individuals who acquire the Celtista Card will enjoy the same benefits as those with a stadium season ticket, except for a seat at Abanca Balaídos. Additionally, it is the first step to getting a membership number that certifies the seniority of the holder.

Everyone who acquires the Celtista Card will pay their fee once per football season. As an additional benefit, Celtista Cardholders will receive an exclusive €10 gift voucher that can be used for tickets or official products\*.

\*You can choose between a discount voucher for redeeming online tickets through our website or for official products in the online store starting August 1. It is not cumulative from one season to the next. The use of this voucher is exclusive to the current season. If it is not used, the amount of the voucher will be lost.

**Do you still have doubts  
about joining the  
Celtista family?  
We answer them for you!**

**If I can't attend Abanca Balaídos this season and therefore won't renew my season ticket, can I get the Celtista Card?**

Yes. A season ticket holder who decides to switch to the Celtista Card will retain their seniority as a member and will have the same benefits, except for the seat in the stadium for first-team matches at Abanca Balaídos. The seat will not be reserved once the Celtista Card replaces the season ticket.

**Can I give the Celtista Membership Card as a gift?**

Currently, if you want to process the Celtista Card as a gift for someone else, you must complete the registration with the details of the person who will hold the card.

**Do Celtista Cardholders have the same benefits as season ticket holders?**

Yes, except for the seat at Abanca Balaídos and the €10 welcome gift voucher.

**Is it necessary to have the Celtista Membership Card to get a season ticket?**

No, but those with the Celtista Card who wish to get a season ticket will have priority on the waiting list for future seasons to obtain one.

## FAQS

### **If I don't want/can't renew my season ticket next season, will I lose my seniority as an RC Celta season ticket holder?**

If you get the Celtista Card, your seniority as an RC Celta season ticket holder will be maintained even if you don't have a stadium season ticket.

### **If I have the Celtista Membership Card, how can I apply for a season ticket at Abanca Balaídos for the next season?**

Due to current limited capacity and considering the renovation of the Gol stand and the relocation of its season ticket holders, in the 24/25 season, priority will be given to those who were on the waiting list from the last season ticket campaign.

Once the new season's registrations are completed, a waiting list will be enabled to apply for a season ticket, and as new slots become available, you will have priority to obtain your season ticket based on your seniority as a Celtista.

### **Can I change the type of Celtista Card during the season?**

Once the season has started, changes in the type of card cannot be made.

### **If I want to change my type of card at renewal, how do I proceed?**

Once the season is over, you can request the change through the Celtista Attention Office. Once the change is made, you can manage your renewal in the Celtista Portal.

## FAQS

### **What is the Gift Voucher and how can I use it?**

If you make an online purchase (tickets or [shop.rccelta.es](http://shop.rccelta.es)), select the products in your order and before making the payment, in the purchase summary, you can apply the promotions you have active. When selecting your Gift Voucher, the amount will be automatically deducted from your purchase before making the payment.

To get your Gift Voucher, you can download it from the Celtista Portal.

### **When can I use the Gift Voucher?**

The welcome Gift Voucher for the 24/25 season can be used from August 1 to May 31. This voucher is for single use and cannot be divided into several transactions or requested for cash reimbursement.
